

# Skilling Queenslanders for Work (SQW) Conservation and Ecosystem Management Traineeship

*Seeking individuals very passionate about protecting the environment and the natural world.*

*Role involves outdoor work and scientific study*

### About our SQW programs

**Our 20-week full time paid traineeship will provide hands on work experience in bush regeneration all lead by a qualified and experienced industry professional.** You will learn about local SEQLD native flora and fauna, regional ecosystems and vegetation types, industry standard OHS, environmental legislation, ecosystem restoration practices, weed identification, weed control techniques, native seed collection, native plant propagation, plant care and tree planting and site maintenance assessment & reporting processes.

**You will work in a supportive and safe team environment, while you gain employability skills. This program is tailored to individually support you with a focus on physical and mental health.** Partnered with Ballistic Training Solutions RTO: 41097 you will gain an accredited qualification **AHC10120 - Certificate I in Conservation and Ecosystem Management. White Card, First Aid & CPR plus direct links to employers. Full PPE provided. ACDC tickets offered to high performers. 12 places available** Start date: End Jan 2023

Project is based at: Toovey St, Caboolture and is centred around bush regeneration management at Lagoon creek environmental reserve.

Positions in this traineeship are highly sought after. The program was nominated at the 2021 QLD Training Awards for best Community Training Initiative. Please only apply if you are ready to work, learn and create your pathway into the workforce.

To apply, scan the QR Code and complete the Expression of Interest (EOI) form. Or email [sqw@reclink.org](mailto:sqw@reclink.org) to obtain an EOI Applications close Jan 27 2023
